

# Assessment of the Core Competencies

## ASSESSMENT PROCESS

### Score Samples

Assess samples from the seniors in your major using the VALUE rubric for that year's Core Competency

Send raw score to OIE or submit through LiveText

### Reports are Generated

The OIE will compile the data and run reports

OIE sends data reports to GELI

### Internal Review

GELI reviews reports and makes recommendations

Reports with recommendations go to each division and program

### Provide Final Analysis

Each division and program conduct indirect assessment and respond to the CC report on their annual assessment report
